

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Senior Contract Compliance AuditorReference Code: 61121

Location: Canada (CA) - Calgary, AB Job Category: Supply Chain/ProcurementEmployment Type: Employee Full-timeRelocation Eligibility: This position is not eligible for our relocation programApplication Deadline: 01/31/2020 We all need energy. It warms our homes, cooks our food, gives us light, and gets us where we need to go. It also improves our quality of life in countless other ways. At TC Energy, our job is to deliver that energy to millions of people who depend on it across North America. And we take our job very seriously. Guided by our values of safety, integrity, responsibility and collaboration, we develop and operate our facilities safely, reliably and with care for our impact on the environment. With our presence across the continent, our people play an active role in building strong communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. We're looking for new team members who share our values and are ready to take on exciting challenges. The opportunityReporting to the Manager, Vendor Audits, within the Supply Chain organization, the Senior Contract Compliance Auditor is responsible for planning and conducting vendor contract compliance audits and supporting the Manager, Vendor Audits in the execution of the Vendor Compliance Program. The Role is an individual contributor role. What you'll do

- Plan audits, including completion of detailed risk assessments of vendor contracts under review, determination of audit scope and objectives, and development of the audit programs
- Execute audits including discussions with client, performance of testing, and completion of file documentation in compliance with established standards
- Prepare formal audit reports that contain observations and actionable recommendations and communicate results to management
- Manage audit staff and external service providers, if necessary
- Work closely with the Supply Chain Global Contracts Management Group to implement actionable audit recommendations
- Subject matter expert and advisor on vendor audit issues for Supply Chain, including applicable clauses in contracts
- Education and training of Supply Chain and other departments on vendor audit issues and improving contracting and commercial deals
- Develop and roll out processes and procedures relating to vendor audit.

Minimum qualifications

- University Degree or College Diploma in Accounting, Finance or Business
- Minimum 6 years relevant experience
- 7 & 10 years of internal or external auditing experience
- Excellent communication skills, both written and verbal
- Strong analytical skills and proficient with Microsoft Office applications (Word, Excel, PowerPoint)
- Thorough understanding of contract terms and conditions, commercial contracting types and associated risks
- Proficient at documenting audit results (work papers) and preparation of audit reports
- Ability to build and maintain collaborative working relationships with all levels of TransCanada Supply Chain Management, stakeholders and business partners

Preferred qualifications

- Possession of professional designations (CPA, CMA, CIA or CFE)
- Experience with a Big Four Accounting Firm or oil, gas and/or power industry experience Ability to interact with all levels of the organization
- Ability to interact with all levels of the organization
- Proven ability to work independently and to manage multiple and competing priorities effectively under demanding deadlines
