

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Company	McMaster University	
Location	Hamilton, ON	
Date Posted	From: 2024-03-25	To: 2050-01-01
Job	Type: Full-time	Category: Education

Description

ACADEMIC THROMBOSIS SPECIALIST Three-Year Contractually Limited Appointment Department of Medicine, McMaster University The Department of Medicine, Faculty of Health Sciences at McMaster University, and Hamilton Health Sciences invite applications for an Academic Physician with expertise in Thrombosis Medicine. Preference will be given to candidates who have completed fellowship training in an Adult Thrombosis Medicine Area of Focused Competence (AFC) Training Program. Expertise in managing venous and arterial thromboembolism, particularly in the cancer population, would be an asset. It is expected that clinical activity related to patient care will take at least half of the successful candidate's time. This is a full-time faculty position for a period of three years in the contractually limited appointment category. There may be an opportunity for extension. Academic rank will be commensurate with the candidate's qualifications and experience. The successful candidate will be a full-time member of the Division of Hematology & Thromboembolism and will be expected to contribute to the academic mission of the Faculty and Division. The successful candidate will be expected to participate in all appropriate departmental and divisional educational activities. Advanced (graduate) training in Health Science Education, Healthcare Quality, or related scholarship activities is encouraged. Applicants should be certified (or eligible for certification) by the Royal College of Physicians and Surgeons of Canada and must be licensed in the Province of Ontario. Please apply online to Job Opening 61136 via the McMaster Academic Careers website <https://hr.mcmaster.ca/careers/current-opportunities/> directing your application to: Lorrie Reurink, Manager, Human Resources and Faculty Recruitment Expressions of interest should include: An up-to-date curriculum vitae and cover letter A description of training and research experience as well as the names and addresses of three professional referees.

A brief statement describing any contributions made or planned in relation to advancing equity, diversity and inclusion or inclusive excellence in teaching, research, or service within higher education, community-based or other profession settings (2-page maximum)

Letters of reference are not required and will not be reviewed at the application stage; letters of recommendation from referees will be requested at later stages of the search process. All qualified applicants are encouraged apply; however, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: "Yes, I am a citizen or permanent resident of Canada" or "No, I am not a citizen or permanent resident of Canada"; McMaster University is located on the traditional territories of the Haudenosaunee and Mississauga Nations and within the lands protected by the "Dish With One Spoon" wampum agreement. The diversity of our workforce is at the core of our innovation and creativity and strengthens our research and teaching excellence. In keeping with its Statement on Building an Inclusive Community with a Shared Purpose, McMaster University strives to embody the values of respect, collaboration, and diversity, and has a strong commitment to employment equity. The University seeks qualified candidates who share our commitment to equity and inclusion, who will contribute to the diversification of ideas and perspectives, and especially welcomes applications from indigenous (First Nations, Metis, or Inuit) peoples, members of racialized communities, persons with disabilities, women, and persons who identify as 2SLGBTQ+. As part of McMaster's commitment, all applicants are invited to complete a confidential Applicant Diversity Survey through the online application submission process. The Survey questionnaire requests voluntary self-identification in

relation to equity-seeking groups that have historically faced and continue to face barriers in employment. Please refer to the Applicant Diversity Survey - Statement of Collection for additional information. Job applicants requiring accommodation to participate in the hiring process should contact: Human Resources Service Centre at 905-525-9140 ext. 222-HR (22247), or Faculty of Health Sciences HR Office at ext. 22207, or School of Graduate Studies at ext. 23679 to communicate accommodation needs

Vaccine Mandate This position is located in a host hospital or other healthcare site that has an active vaccination mandate in place. Successful applicants will need to comply with these and any other health and safety measures necessary as part of their appointment.
