

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Did you know there are over 150,000 tech jobs in BC right now By the end of 2021, the number is expected to grow to 196,000 jobs. There are creative, problem-solving opportunities that pay well—tech workers earn 75% more than the average British Columbian.

BC's fastest-growing technology companies are looking for Indigenous talent to join their team. They are hiring for positions in Marketing, Communications, Business Development, Technology Development, Quality Assurance, Project Management, Digital Media, Operations, Finance, and Office Administration.

BC Tech's Digital Lift Internship program has partnered with these amazing companies to offer internship placements for Indigenous students.
