

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Manager, Risk FinancingReference Code: 64622 Location: Canada (CA) - Calgary, AB

Job Category: Management; Risk Management

Employment Type: Employee Full-time

Relocation Eligibility: This position is not eligible for our relocation program

Application Deadline: 11/13/2020 We all need energy. It warms our homes, cooks our food, gives us light, and gets us where we need to go. It also improves our quality of life in countless other ways. At TC Energy, our job is to deliver that energy to millions of people who depend on it across North America. And we take our job very seriously. Guided by our values of safety, integrity, responsibility and collaboration, we develop and operate our facilities safely, reliably and with care for our impact on the environment. With our presence across the continent, our people play an active role in building strong communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. We're looking for new team members who share our values and are ready to take on exciting challenges.

The opportunity

TC Energy is evolving to meet the needs of our growing business. We are seeking a Manager, Risk Financing, to lead a team that expertly manages the Company's insurance risk management programs. Our ideal candidate will have the proven skills, competencies and capacity to lead a team in achieving the department's insurance risk goals. You will be highly motivated and responsible for the insurance program supporting TC Energy's diverse portfolio of high-quality, long-life assets spanning five operating businesses in three core geographies. You will report to the Director of Insurance Risk Management. *Please note: Travel will be required globally (and will require a valid passport).

What you'll do

- Influence and develop the placement strategy for insurance products for construction and operational assets
- Validate and ensure that accurate and reflective underwriting submissions are developed
- Ensure risk identification processes are established to ensure understanding of insurable risks across the organization
- Work closely with TC Energy's development, operations, engineering, supply chain and legal business units to ensure clarity of insurance policy language
- Identify and analyze risk, and recommend opportunities for optimal insurance coverages
- Lead acquisition and divestitures activities to ensure proper risk management
- Liaise, partner with and oversee interaction with TC Energy's brokers, energy insurance mutuals, commercial underwriters and reinsurers to ensure optimal coverage terms
- Partner with Director to ensure optimal utilization of insurance captive
- Prepare premium budgets

Minimum Qualifications

- Bachelor's Degree in business administration, finance, risk management and/or equivalent
- 15+ years of related experience

Preferred Qualifications

- Completion of CRM, FRM, CIP or FCIP designation is an asset
- Related experience, preferably in a managerial or leadership capacity in a high change environment
- A thorough working understanding of Oil Insurance Limited energy mutual and interplay with a single parent captive
- A high-level working knowledge of contracts particularly, liability, indemnity, risk of loss and insurance requirement
- Demonstratable claims experience including involvement in dispute resolution
- Ability to undertake detailed risk analysis and prepare detailed loss estimates
- Practical experience in operation of a single parent captive
- Capability to understand and contribute to the resolution of operational and legal issues reflecting underlying business reality, balancing risk and reward
- Previous experience working with risk management / claims database system
- Previous experience in risk management with a major energy or pipeline company
- Highly organized and able to balance multiple competing priorities
- Superior analytical and problem-solving skills
- Excellent interpersonal, collaboration and communication skills
- Proficiency in Spanish is an asset
