

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Our thriving Courtenay and Victoria branches are looking to add talented and enthusiastic Community Planners in both locations to join our existing team of professional planners, engineers, and other professionals working with local communities in and around Vancouver Island. Our planning practice excels at providing professional planning services to clients who are dealing with the interconnections between governance, policy, finance, community design, land use, mobility, and infrastructure. More and more of our clients are looking for innovative ideas and customized solutions based on an integrated perspective of these fields.

This opportunity presents two successful candidates a significant opportunity to directly contribute to the growth of Urban Systemsâ€™ Vancouver Island planning practice, drawing on resources both locally and across our Western Canada branches. Both positions are anticipated to start in January 2021. As these positions are part of our Vancouver Island team, it is possible to work out of either our Courtenay or Victoria location. In your covering letter, please indicate which location you would prefer to reside or if you are open to an opportunity in either branch.

As a member of our Island planning practice, you can expect to be involved in:

â€¢ Conducting research, analysis, and report writing;

â€¢ Researching best practices;

â€¢ Supporting communication and engagement;

â€¢ Providing interpretations of legislation, regulations, and policies;

â€¢ Assisting in the preparation of planning documents and preparing presentations for public meetings;

â€¢ Collaborating with the existing team to develop public engagement materials such as open house panels, newsletters, brochures and community surveys; and

â€¢ Attending meetings and liaising with clients.

### Education Requirements

Our preferred candidate will have a minimum of a bachelorâ€™s degree; however, preference will be given to candidates that hold a masterâ€™s degree in Urban and Regional Planning or a related field.

### How to Apply

If this describes your background, your skills and your natural talents, please check out our website for more information and submit your resume and covering letter along with a completed Candidate Questionnaire (available for download on our website).

Deadline for applications: Sunday December 6, 2020
