

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Closing Date : 09/28/2021

Worker Type: Term (Fixed Term)

Term Duration (in months): 12

Attention to detail required

Conduct internal audit activities that will enhance risk management and controls that help the organization meet its business objectives. This position is designated bilingual (English and French), and the successful candidate must be able to communicate in both of Canada's official languages.

What you'll do:

- Participate in audit planning and draft audit reports
- Review work processes and internal controls
- Conduct audit testing through interviews, gathering and analyzing data, conducting surveys and examining source documents
- Document appropriate audit evidence and develop conclusions and recommendations

What we're looking for:

- Self-motivated individual who takes initiative to learn and adapt processes
- Innovative problem-solver with keen attention to detail and strong analytical skills
- Confident communicator who builds strong relationships
- Team player committed to delivering quality service

What you'll need:

- A bachelor's degree in commerce with an accounting or audit designation and three to five years of related experience (or equivalent combination of education and experience); agriculture or lending experience is an asset
- Knowledge of internal audit theories, trends and best practices
