

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Up to 70 seasonal auxiliary positions are available at our Kalamalka and Bailey Rd Seed Orchard in Vernon for 30 day seasonal hires. No relocation allowance or accommodations will be provided.

The Labourer position is responsible for picking cones and carrying out a variety of general labour activities relating to the care and maintenance of seed orchards.

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development is the Province's agency responsible for land and resource management in B.C., which includes the protection of the Province's archaeological and heritage resources. Operating on a provincial land base of over 94 million hectares, the Ministry ensures the sustainable management of forest, wildlife, water and other land based resources; works with Indigenous and rural communities to strengthen and diversify their economies; and, supports activities that provide environmental, economic, cultural and social benefits. The Ministry is responsible for wildfire management and facilitates safe public access to a wide range of recreational activities such as hunting, fishing, and access to B.C.'s wilderness and backcountry. The Ministry oversees policy development, operational management and implementation, and administers all or part of over 60 statutes and associated regulations.

The mission of the Forest Improvement and Research Management Branch is to enhance the value, resilience and conservation of B.C.'s forest genetic resources.

Qualifications for this role include:

• Prefer manual labour or outdoor working experience.

• Prefer experience working with plants; i.e. tree planter, gardener, landscaper, orchard worker, and cone picking, or equivalent training and experience.

• Physically fit and able to lift supplies (i.e. bags of fertilizer, cones buckets, etc.) and operate equipment (i.e. orchard lifts, pruners, weed eaters, mowers, etc.) on an on-going basis.

• Able to work outdoors in all types of weather, including winter cold weather, and with potential allergens such as pollen, grass, insects, chemical pesticides, herbicides and fertilizers; as well as ability to work at heights using lifts and ladders.

• Basic knowledge of safe work practices and a good safety attitude.

• Ability to follow instructions/requirements, complete tasks on time and work independently and in a team.

• Demonstrated ability to read labels and instructions and communicate clearly.
