

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Agriculture succession planning expertise rewarded

Builds and strengthens relationships within agriculture and supports farm families through transitioning the farm to the next generation.

What youâ€™ll do:

- Regularly meet with farm families to understand their business needs, review transition plans, coach, and make recommendations
- Develop a strong referral network of business professionals who can further support FCC customers with developing and implementing their transition plans
- Partner with the FCC advisory team across the country to develop tools and resources to support farm transition
- Deliver presentations and content to support the learning needs around transition planning within the industry
- Stay up to date on changes to tax, finance and law while continually growing your soft skills in advisory
- Coach and partner with FCC field teams on farm transitions and succession planning issues

What weâ€™re looking for:

- Exceptional soft skills complemented by a mature financial and agricultural industry knowledge
- Leader who builds relationships and embraces change
- Connector who builds win-win business relationships
- Influential, calm communicator able to challenge conventional thinking and practice
- Trusted team member who focuses on the customer
- Problem-solver able to identify and recommend opportunities for improvement
- Great interpersonal skills with a focus on empathy
- Facilitation, mediation, coaching and financial analysis skills
- Ability to travel

What youâ€™ll need:

- Undergraduate degree in agricultural finance, business or commerce supplemented with an advisory accreditation and at least five years of experience (or an equivalent combination of education and experience)
