

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Job Posting Title IRC10303

Job Title Manager, Financial Analysis

Company Overview

Capital Power (TSX: CPX) is dedicated to delivering Responsible Energy for Tomorrow. Headquartered in Edmonton, Alberta, weâ€™re a growth-oriented North American power producer that creates dependable, cost-effective and innovative electricity solutions to power a sustainable future.

As a group of experts and innovators in our field, weâ€™re taking a leadership role in developing renewables, improving thermal generation efficiency and supporting the development of carbon capture, utilization and storage (CCUS) solutions to support a low-carbon energy system.

Join us in powering a clean energy future!

Brief Posting Description

One Permanent Full-Time Position.

Capital Power Corporation is currently seeking an innovative and results-oriented individual to join our Financial Analysis team.

Our Manager, Financial Analysis will partner with internal stakeholders to provide insights into financial and operational trends of the assigned portfolio.

Key accountabilities include:

Detailed Description

Â· Oversees all financial aspects associated with the assigned portfolio.

Â· Analyzes and reports on monthly, quarterly, and annual variance analysis with a focus on the business.

Â· Engages with internal stakeholders to develop the long-term plan, budget and quarterly forecast processes for assigned facilities.

Â· Maintains strong collaborative relationships with various internal stakeholders to understand, interpret, and develop business analysis that will improve overall financial results.

Â· Manages all financial processes and timelines to ensure both internal & external requirements are met.

Â· Provides recommendations as needed on how reporting and processes could be optimized to gain efficiencies.

Â· Participates on any special projects that arise.

Â· Provides coaching and guidance as required ensuring team accountabilities are met in a timely and accurate manner.

Â· Provides input into the recruitment process as needed.

Additional Details

In order to be considered for this role you must be legally eligible to work in Canada.

The successful candidate will be required to undergo a credit check.

Weâ€™re committed to providing a meaningful work experience that challenges you to be your best at every stage of your career with us.

You will be empowered to take on opportunities you never thought you would.

We offer a highly flexible benefits and wellness program, comprehensive onboarding and training, and various development opportunities to support your success and personal growth.

Weâ€™re passionate about our employees and proud to foster a culture that values diversity; realizing an inclusive and diverse team is paramount to help grow our company and power the future. Weâ€™re proud to foster an environment where employees go home safe every day feeling physically, emotionally and financially supported.

Experience

7+ years progressive Accounting experience.

Education Requirements

Post-Secondary Degree in Business, Finance or Accounting along with an Accounting Designation.

Additional Skills

Technical Skills

Â· Strong problem solving and analytical skills.

Â· Ability to work effectively with non-financial individuals.

Â· Excellent written and verbal communication skills.

Â· Proven organizational, time management and problem-solving skills.

Â· Ability to foster positive internal and external stakeholder relationships and strong leadership skills.

The following skills would be considered an asset:

Â· Hands-on experience with Microsoft Power BI, Oracle, and/or Hyperion.

Â· Working knowledge of the power generation business.

How to Apply

Capital Power only accepts resumes via online application by clicking [Apply Now](#). Please search IRC10303 to apply. If you choose to submit your resume by any other means, we cannot guarantee that your application will be considered for vacancies.

Thank you for taking the time to apply and expressing interest in Capital Power. We wish that we could personally respond to everyone who applies; however, it is our practice to contact only those individuals selected for interviews.

Capital Power is committed to providing a fair and transparent hiring process. We recognize and embrace the value of diversity and hire employees with the appropriate skills, experience and knowledge for each position.
