

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Vidir Solutions Inc. is in need of Welders

Employment Terms: Full Time - Permanent

Duties and Responsibilities:

1. Responsible for welding a variety of Vidir Products within a team environment according to the production schedule.
2. Ensure that the products are welded to meet the company's high standard of quality.
3. Read and follow directions in layouts, blue prints and work orders.
4. Ensure that products are compliant in Canadian Welding Bureau (CWB) Standards and regulations.
5. Monitor and ensure parts inventory availability at all times in respective work area to meet production requirements.
6. Identify and communicate safety concerns with team lead.
7. Identify and communicate opportunities for continuous improvement and safety to team lead to provide safer operations, higher quality, lower cost and waste reduction.
8. Coordinate with other team members to provide steady flow of product.
9. Perform other related duties as assigned by team lead.

Working Hours: 8 hours/day, 40 hours/week, 7:00 am - 3:00 pm; Working hours may vary depending on production, 2 days off on weekends

Wage/Benefits: \$25.00/hour; 15 paid vacation days per year; Medical, Dental, Long-Term Disability, AD&D, Life Insurance and RRSP/DPSP

Work Location: Arborg, Manitoba, Canada

Employment Requirements:

1. Education: Completion of secondary school is required; Welding Trade Certificate is an asset but not required
2. Work Experience: Minimum 2 years of experience is required; Experience in MIG welding is preferred
3. Class 5 Driver's License is required
4. Excellent knowledge of welding machinery, electrical equipment, and manual tools
5. Ability to read and interpret blueprints and designs
6. Outstanding attention to detail
