

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Pension AnalystReference Code: 72237 Location: Canada (CA) - Calgary, AB

Job Category: Accounting/Finance

Employment Type: Employee Full-time

Relocation Eligibility: This position is not eligible for our relocation program

Application Deadline: 08/07/2020 We all need energy. It warms our homes, cooks our food, gives us light, and gets us where we need to go. It also improves our quality of life in countless other ways. At TC Energy, our job is to deliver that energy to millions of people who depend on it across North America. And we take our job very seriously.

Guided by our values of safety, integrity, responsibility and collaboration, we develop and operate our facilities safely, reliably and with care for our impact on the environment. With our presence across the continent, our people play an active role in building strong communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. We're looking for new team members who share our values and are ready to take on exciting challenges. The opportunity

Our Pension Asset Management team is hiring a Pension Analyst in Calgary, Alberta to support our Canadian and U.S. pension plans. We are seeking a dynamic Pension Analyst who has knowledge and experience in capital markets. This individual has the proven skills, competencies and capacity to support the investment of billions of dollars across various plans and trusts. What you'll do

Responsible for various plans and trusts including defined benefit, defined contribution (401k), capital accumulation, health and welfare plans, and pipeline abandonment trusts including the following:

- Primary contact for investment managers and custodians/trustees regarding trust activity and performance
 - Monitor investment portfolios in relation to mandates and contractual arrangements, and consult to resolve any discrepancies or violations
 - Prepare performance reporting for various plans for internal distribution based on careful analysis of data
 - Monitor compliance of various plans with their respective investment policies and report on variances
 - Assess asset mix and facilitate transactions related to portfolio rebalancing, funding and redemptions
 - Access custody platforms for accounting and performance data and perform analysis
 - Monitor and assess portfolio risks
 - Prepare materials for distribution and participate in reporting to committees
 - Assess investment structure for defined contribution and capital accumulation plans and make recommendations related to changes
 - Review governance policies and procedures to ensure processes are in compliance
 - Prepare requests for proposals and make recommendations related to service providers after comprehensive analysis
 - Act as lead on ad hoc projects
 - Provide recommendations based on thorough analysis to implement various strategic initiatives for multiple pension plans
 - Monitor, assess and report to committees on plan costs
 - Work with internal departments (financial reporting, human resources, legal and tax) and external service providers (investment managers, custodians/trustees/record-keepers, consultants, actuaries, external auditors, transition managers) as required to deliver results
 - Ensure regulatory and other compliance deadlines are met
 - Monitor assets and investment performance of pipeline abandonment trusts
- Minimum qualifications
- Relevant undergraduate degree in finance, business or economics
 - Minimum 6 years of experience related to investment or capital markets
 - Completion of at least Level 1 of the Chartered Financial Analyst program would be an asset
 - Pension industry experience would be an asset
 - Accounting background/experience would also be an asset
 - Strong communication skills, both written and verbal, and ability to represent the company in a professional manner
 - Excellent interpersonal skills
 - Able to work in and contribute to a team in a positive and engaged manner
 - Well-developed analytical, quantitative, and problem-solving skills
 - Keen interest in and understanding of investing and capital markets
 - Able to make recommendations based on sound financial analysis
 - Strong spreadsheet and presentation skills, utilizing Excel and Word
 - Strong organizational skills with the ability to manage multiple priorities
 - Results-oriented approach with the ability to complete tasks independently
