

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests

Campbell River

Indigenous Relations Advisor

\$63,636.24 - \$80,877.09 annually

The Ministry of Forests is responsible for stewardship of the province's Crown land and natural resources.

The Indigenous Relations Advisor communicates with First Nations on natural resource applications and liaises with ministry staff as an expert on First Nations consultation. A collaborative approach is crucial to this role as you successfully establish and maintain productive working relationships with a wide variety of contacts.

The Indigenous Relations Advisor responsibilities may include, but are not limited to:

- Research and analysis of First Nation and natural resource issues,
- Write and/or review reports,
- Coordinate and facilitate meetings (internal/external),
- Support internal resources and tool development, and
- Participate in and/or lead stakeholder or First Nation engagement or consultation processes (i.e., preparation, engagement, accommodation, decision and follow-up).

Qualifications for this role include:

- Degree in a natural resource field or equivalent as recognized by the relevant association and a minimum of 2 years related experience*; OR,
- An equivalent combination of education and experience may be considered.
- Registered, or eligible for registration, with a British Columbia professional association as required by the specialty area. (i.e., Association of Forest Professionals, Institute of Agrologists, Engineers and Geoscientists BC (Association of Professional Engineers and Geoscientists of the Province of British Columbia).
- Must possess and maintain a valid Class 5 BC Driver's License.

Related experience must include a combination of the following:

- Experience conducting research and analysis related to land use, resource management, social or

economic development issues.

- Experience working with and building collaborative relationships with First Nations or Indigenous communities or stakeholders, preferably in areas of natural resource or environmental management or land use stewardship.
- Experience addressing divergent perspectives, negotiating, or facilitating solutions or compromises to complex issues and resolving or mitigating conflict.
