

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Worker Type: Term (Fixed Term)

Language(s) Required: English

Term Duration (in months): 25

Procurement and sourcing expertise needed:

As part of the corporate procurement team, youâ€™ll manage and support procurement and sourcing activities for business units across the organization, and help develop strategies that support overall corporate goals.

What youâ€™ll do:

- Manage procurement processes, including RFP, RFQ and RFI execution
- Guide and coach employees on best-practices
- Advise on interpretation of policy, procedure and legislation
- Develop and monitor procurement and third-party risk policies and frameworks

What weâ€™re looking for:

- Confident communicator who effectively adapts their style to specific audiences and situations
- Relationship-builder able to understand requirements of internal partner groups
- Self-starter who embraces change and innovation
- Experience in IT and professional services procurement

What youâ€™ll need:

- A certificate or degree in business, economic or commerce and at least six years of related experience (or equivalent combination of education and experience); supply chain management designation is an asset
- In-depth knowledge of related standards, practices and processes
