

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Typical tasks and components of the role include, but are not limited to:

- Lead and foster group safety culture and safety programs
- Spend significant time in the field operations interacting with staff, contractor personnel and third party carriers/drivers, completing work observations and safety reviews
- Support and implement new initiatives from the central Imperial Oil organization
- Review and apply critical thinking to operations repair, maintenance, and project plans
- Engage with organizational leadership through site visits, meetings, and networking sessions
- Interact with customers, carriers, marine vessels, and truck drivers displaying a fair, safe, and customer focused approach
- Support and develop a dynamic staff of operators, and tradesman with a team cohesion and career focused approach
- Effectively manage system, equipment, and organizational change to minimize disruptions and meet safety standards and expectations
- Make staffing decisions and manage human resources to broaden and strengthen the organization based on business needs
- Plan and organize a portfolio of maintenance, repair, and operational upgrade activities
- Apply risk management principles in addressing safety, regulatory, and operational integrity improvement opportunities
- Maintain facility product quality standards consistent with Imperial's fuels expectations
- Manage overall budget and make funding decisions for operational activities
- Plan and lead site emergency response drills and activities
- 100% compliance with TRT (HCP) and quality standards , performed the terminal Health check
- Familiar with commercial controls and be in compliance
- Work as a team and demonstrate to others the positive example of maintaining company demands
- Follow service and maintenance procedures. Objective "0 deviation"
- Flexibility in work schedules and have permission to work in overtime and bank time off and work to improve the process to reduce overtime

Qualifications

Academic:

- High School diploma or equivalent is a minimum requirement.
- Bachelor's Degree or Technical College diploma would be considered an asset.
- Must be bilingual - Fluent in English and French, both verbal and written.

Other:

- Must have a valid driver's license and safe driving records.
- Minimum five years of relevant petroleum industry experience required
- This position is designated as Safety Sensitive under the company's Alcohol & Drug policy and will require successful pre-employment certification process
- Demonstrated leadership and management skills
- Knowledge of fuel terminals with rail, marine and truck rack operations is an asset
- Past supervisory and operations experience are assets
- Ability to work overtime hours as necessary
- Ability to consistently lead safe work practices and enthusiastically contribute to a safe work culture.
- Computer skills, including Microsoft Word and Excel

Start date: September 2019

Location: Sept-Iles Terminal, Quebec

Your benefits

- Commitment to safety, ethics & continuous improvement - these standards are the reason Imperial is an industry leader. You will work for a company that upholds safety and ethics ideals and continues to seek out ways to improve.
- Exceptional benefits program - includes competitive savings, retirement, and healthcare plans that you can customize to meet your individual needs. A comprehensive relocation package is provided, if required. Educational and physical fitness financial assistance programs round out our benefits package.
- Competitive vacation package.

- If you are talented, driven, and want to make meaningful contributions that really impact environmental, safety and bottom line objectives, then you owe it to yourself to apply with Imperial.

Who we are

A leading member of Canada's energy industry, Imperial offers exciting opportunities across our upstream, downstream and chemical, and corporate divisions. We are committed to high standards, applying technology and innovation to meet energy demands in a safe, reliable and environmentally sound manner. No matter what your career path, we provide the platform to elevate your goals and achieve your ambitions, while providing support through wide-ranging programs and benefits.

Other considerations

For applicants selected to be interviewed, pre-employment background screening will be required.

We thank all those who apply; however, only those candidates selected for interviews will be contacted.

Eligibility to work in Canada

All applicants who receive an offer of employment must be eligible to work in Canada on their start date. Proof of eligibility shall be in the form of a Canadian birth certificate, Canadian passport, Canadian citizenship certificate, Canadian certificate of permanent residence, Canadian open work permit or receipt from Immigration Canada of an application for a post-graduate work permit. Proof of eligibility must be current and valid (not expired, cancelled or voided). Proof of eligibility will be required if an offer of employment is made. Failure to provide proof of eligibility at least six (6) weeks prior to the start date may result in the offer of employment being rescinded.

Application deadline: Aug 25, 2019

Imperial is committed to providing equitable treatment and equal opportunity to all individuals.

In certain situations, Imperial may use your application to consider your suitability for other positions in the company and may also provide the information to its affiliates, including affiliates of Exxon Mobil Corporation, in connection with possible opportunities at those affiliates.
