

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Forests: Chilliwack, Squamish, or Powell River  
Planning Officer

An excellent senior opportunity for a dedicated professional

BC Timber Sales (BCTS) manages about 20 per cent of the province's allowable annual cut for Crown timber, generating economic prosperity for British Columbians through the safe, sustainable development and auction of Crown timber. The goal of BCTS is to provide credible representative price and cost benchmark data for the market pricing system through auctions of timber harvested from public land in BC.

The Planning Officer is responsible for all the strategic and integrated planning processes required for the Business Area (BA). The position develops the Forest Stewardship Plan for the BA as well as participates in the development of higher level plans such as Land and Resource Management Plans. The Planning Officer identifies the fiduciary obligations of the BA with regard to Indigenous Peoples groups and provides leadership to the consultation process. This position is accountable for ensuring that all planning initiatives are in compliance with legislative requirements as well as represents the BA during planning audits.

Qualifications for this role include:

- A Registered Professional Forester (RPF) or be eligible for registration as an RPF with the Association of BC Forest Professionals (ABCFP) and three years of experience in operational forestry such as forest tenures, cut-block and road development, engineering, silviculture, harvest operations or compliance and enforcement.
- Must possess at minimum a valid Class 5 BC Driver's License that does not limit or restrict the ability to conduct the duties of the job.
