

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Kitco Mining Editor for Kitco Media

Kitco Metals

The Kitco Mining News Editor is responsible for the content for Kitco Mining News across a range of media including written, podcast and video content. This is a permanent/ full-time position, which entails setting the editorial agenda and coverage aims and style together with the Kitco commercial team and other Kitco content divisions: in essence, determining what we cover and how.

The role requires creativity to innovate and develop new and entertaining ways to present information, and creating fresh angles to approach stories. The candidate should have a deep understanding of the mining sector, the commodities, the players, and the issues. He or she will lead a team of mining writers and contractors to ensure mining sector news is covered with fresh, relevant and informative content across a range of media. The ideal candidate must have excellent research and reporting skills, deep knowledge of the commodities sector, metals prices and markets, mining finance and economics and a well-populated contact book, in addition to a solid knowledge of current affairs.

As this is an editorial role, the candidate should also display strong editorial judgment in setting the tone and style of mining news coverage and what stories and trends are covered. He or she should be creative, collaborative, enterprising, have a track record of reporting in-depth and complex stories, have a keen attention to detail and the ability to cultivate sources.

He or she must be able to work in a fast-paced and deadline-driven environment as part of a dynamic team and across a range of media and possess the organizational and leadership skills to bring this all together.

ESSENTIAL FUNCTIONS AND TASKS:

The responsibilities of this position include, but are not limited to the following:

- Lead a team of mining writers to coordinate coverage.
- Grow and expand the Kitco Mining audience.
- Liaise with Kitco commercial and other content divisions.
- Keep informed of mining, developer, and exploration company news.
- Monitor metals price and mining trends, integrating data into sharp, readable copy that engages the audience.
- Cover traditional metals market action such as gold, silver and copper, in addition to emerging and growth sectors as battery metals and carbon credits.
- Produce written, audio and video content.
- Edit English written and other content produced by the Kitco Mining news team to maintain quality and style.
- Collaborate with the anchors to come up with mining-related topics to discuss for video news content and undertake video interviews.
- Cultivate sources including company officials, experts and analysts to use for written, audio, and video content.
- Write headlines, breaking news, trend features and price move commentaries to tight deadlines.
- As needed, illustrate moves in markets with easy-to-read charts and graphs.
- Generate content from a variety of source material including research, interviews, press releases, social media, conference calls and event attendance.
- Represent Kitco Mining News and Kitco more broadly at industry events.
- Develop revenue-generating opportunities with the sales and agency teams.

REQUIRED SKILLS AND COMPETENCIES:

- Proven mining sector journalism experience with a minimum of 6-8 years
- Command of journalistic best practices (AP style, libel issues, etc.). Strong editing skills a must
- Ability to simultaneously manage multiple projects to meet challenging deadlines. Must be able to work in a high-pressure environment and interact constructively with a team of motivated reporters across our bureaus
- Excellent writing/editing/interviewing skills
- Ability to thrive under pressure to deliver content to tight deadlines
- Strong SEO skills to generate traffic to website
- Excellent news judgment

TECHNICAL / PROFESSIONAL COMPETENCIES (EDUCATION AND EXPERIENCE):

- A minimum of a bachelor's degree in either journalism, communications, economics, business, or a related field
- Knowledge of the mining industry or commodities markets
- Must have an affinity for analyzing numbers, using in-house data intelligence, financial reports and other industry information
