

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Risk Analyst, Counterparty Risk Management Reference Code: 76383 Location: Canada (CA) - Calgary, AB

Job Category: Accounting/Finance; Risk Management

Employment Type: Employee Full-time

Relocation Eligibility: This position is not eligible for our relocation program

Application Deadline: 11/30/2020 We all need energy. It warms our homes, cooks our food, gives us light, and gets us where we need to go. It also improves our quality of life in countless other ways. At TC Energy, our job is to deliver that energy to millions of people who depend on it across North America. And we take our job very seriously. Guided by our values of safety, integrity, responsibility and collaboration, we develop and operate our facilities safely, reliably and with care for our impact on the environment. With our presence across the continent, our people play an active role in building strong communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. We're looking for new team members who share our values and are ready to take on exciting challenges.

The opportunity

Our Counterparty Risk Management team is seeking a versed Risk Analyst who has knowledge and experience with financial statement analysis, forecasting, and assessments. You have the proven skills, competencies and capacity to support the team and the Company. You will add technical experience and knowledge in our diverse portfolio of high-quality, longlife assets spanning five operating businesses in three core geographies. This role reports to the Manager, Counterparty Risk Management. What you'll do

- &middot; Complete counterparty financial statement analysis and assessments which includes: researching, gathering / reviewing information, and recommending/approving counterparty exposure limits

- &middot; Collaborate with internal stakeholders to obtain appropriate document language, particularly relating to credit clauses and financial assurance language

- &middot; Negotiate financial assurances and contractual credit clauses/financial assurance language

- &middot; Monitor counterparty exposures and make recommendations determining if they are within limits

- &middot; Maintain financial assurances

- &middot; Navigate complex risk management projects and activities with a continuous improvement mindset

Minimum Qualifications

- &middot; Successfully completed an undergraduate degree in Commerce, Accounting, Finance or Business

- &middot; Four (4) + years of related, progressive experience

- &middot; An alternative combination of education and experience may be considered

- &middot; Strong analytical skills to understand complex financial information, corporate structures and business arrangements, as well as assess the creditworthiness of counterparties

- &middot; Excellent attention to detail to facilitate the collection of financial assurances and written communication skills to complete and communicate credit assessments

Preferred Qualifications

- &middot; Enrollment/Progression in a professional financial designation (i.e. CPA, CFA)

- &middot; Strong written and verbal communication with all levels of organization

- &middot; Strong interpersonal and stakeholder engagement skills, demonstrating collaborative working relationships and leadership

&middot; Advanced analytical/reconciliation skills utilizing tools including Microsoft Excel to analyze financial data to complete ratio analysis and sensitivity models to support your credit opinion

&middot; Strong time management skills, with the ability to perform effectively under tight deadlines with multiple priorities
