### Description

#### THE ORGANIZATION

After 46 years of successful programming and growth, the Thunder Bay Art Gallery is embarking on an exciting new development - a beautiful new facility on the shore of Lake Superior at Thunder Bay's waterfront.

Due to open in 2025, the new building will feature twice the space for exhibitions and education programming and will include a cafe, event spaces, outdoor art and gathering places, and a connection to the waterfront trail. Influenced by a strong Indigenous narrative, the building will embrace the surrounding landscape with spectacular views of Lake Superior and Nanabijou.

A bold project called Madaabii has been supported through the Canada Council New Chapter Program in celebration of the new facility. Madaabii translates in Anishnaabemowin as s/he/they goes down to shore.

This ambitious, large-scale multidisciplinary art project draws inspiration from Gichigami (Lake Superior), one of the world's largest sources of freshwater. The project has engaged 27 artists to create works inspired by the cultural and industrial history, ecology, and sacredness of this living body of water. These works will form the first exhibition when the Thunder Bay Art Gallery goes down to the water's edge to open its new facility.

#### THE POSITION

Thunder Bay Art Gallery (the Gallery) is seeking a dynamic Executive Director to lead the organization into its bold and exciting new era. The successful applicant will assume responsibility for the strategic and financial direction and overall management of the Thunder Bay Art Gallery and will bring a vision for community engagement, inclusivity, and a desire to amplify the voices of artists in Northwestern Ontario and Indigenous artists from across Turtle Island.

This coming summer, current Executive Director Sharon Godwin will step aside to oversee the construction of the new facility and to allow the new Executive Director to manage the current facility and to focus on developing the strategy for the long-term operation of the new building.
