

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

- Provide Project and Budget technical support to the Manager. Monitors all charges and expenses related to the TEC operation;
- Perform periodic quality inspection reviews of the TEC output measures to ensure the quality and reliability of the data;
- Monitor and control testing through the year to ensure quality information is generated to guide the track maintenance efforts and assist in setting priorities for the Track Maintenance Planning group;
- Monitor trends in repeat track geometry defects, follows up with reports;
- Mentor the development of subordinates / co-workers to take on greater levels of responsibilities, appraises the work performance of subordinate positions and prepares recommendation of appropriate actions;
- Arrange for the production and distribution of Geometry reports;
- Provide input to proposed new technologies pertaining to track geometry, gauge restraint measurement systems, VTI systems, vision technologies, etc;
- Required to be on call on a regular basis outside of normal business hours and workdays.

POSITION REQUIREMENTS:

- High school diploma or GED Equivalent;
- Prior Track Maintenance experience such as Supervisor Track Inspection, Extra Gang Foreman, or post-secondary education in electronics (technologist);
- 5 years of railway experience in Engineering Services;
- Understanding of network operations;

- Must have Canadian passport with ability to travel cross border to U.S;
- Must have valid Class 3 with air brake endorsement, or ability to become licensed within 6 months;driver's license;
- Working knowledge of some or all of the following systems is considered an asset: Railway Performance Monitoring (RPM), Nexus, various dashboards on CP Station, Corporate reports;
- Experience in Data analysis and the ability to draw conclusions and communicate results, Prior exposure to Geometry Brush Charts (WinDBC, ARIES, GEOEdit)
- Intermediate level of MS office (Word, PowerPoint, Excel etc.);
- Ability to persuade for the overall betterment of the railway in situations where individual objectives may conflict;
- Good communicator across various functions;
- Exceptional communication skills for multiple audiences with diverse levels of experience;
- Building & maintaining relationships, team player, cross-functionally and strong field contacts are an asset;
- Proven ability to deal with conflict and progress solutions;
- Bi-lingual (French/English) is an asset.

WHAT CP HAS TO OFFER:

- Flexible and competitive benefits package
- Competitive company pension plan
- Employee Share Purchase Plan
- Performance Incentive Program
- Annual Fitness Subsidy

ADDITIONAL INFORMATION:As an employer with national presence, the possibility does exist that the location of your position may be changed based on organizational requirements. Medical Requirements:

CP is committed to the safety and health of its employees and the general public. This position is considered safety sensitive position; all new hires will be required to complete a pre-employment medical evaluation that includes a vision, hearing, drug screening and pre-employment physical. Background Investigation:The successful candidate will need to successfully complete the following clearances:

- Criminal history check
- Reference check

Management Conductor Program:Becoming a qualified conductor or locomotive engineer is the single best way for a management employee to learn the business at CP. You may be required to obtain a certification or to maintain your current certification/qualification as a conductor or locomotive engineer. CP is an equal opportunity employer committed to the principles of employment equity and inclusion. We welcome applications from all qualified individuals. All applicant information will be managed in accordance with the federal Personal Information Protection and Electronic Documents Act ("PIPEDA").
