

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Public Safety and Solicitor General: Surrey

Integrated Partnership for Regional Emergency Management Senior Project Manager

1 permanent opportunity and;1 temporary opportunity for 7 months, which may be extended and/or a permanent appointment may result from this temporary appointment.

Emergency Management British Columbia is the lead coordinating agency in the provincial government for all emergency management activities, including mitigation, preparedness, response and recovery.

The Integrated Partnership for Regional Emergency Management Senior Project Manager leads and manages multiple, complex, regional integrated planning projects to ultimately improve efficiency and effectiveness of emergency management plans, programs, and processes. This role identifies existing regional gaps within the integrated planning and emergency response and recovery programs and formulates recommendations and strategies for senior management and Executive. Qualifications for this role include:

• Degree in Emergency Management, Business Administration or a related field PLUS 3 years of related* experience; OR

• Diploma in Emergency Management, Business Administration or a related field PLUS 5 years of related* experience; OR

• Certificate in Emergency Management, Business Administration or a related field PLUS 7 years of related* experience; OR

• An equivalent combination of education and experience may be considered.

Related* experience must include a minimum of 3 years' experience in each of the following:

• Leading and managing complex projects of large scale that have multiple project delivery components.

• Experience managing relationships with senior level stakeholders (different levels of government, First Nations etc) and leading stakeholder engagement sessions including issues management and conflict resolution.

â€¢ Synthesizing and analyzing large amounts of information and data and summarizing and identifying issues/trends and generating options/recommendations in writing.

â€¢ Experience building and managing collaborative relationships with multiple partners (different levels of government, First Nations etc), including senior management and executive to develop and support project development.

â€¢ Experience leading project teams (consisting of professionals/subject matter experts) and directing the work of others (contractors, external stakeholders)
