

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Environment and Climate Change Strategy: Fort St John

Recreation Services Officer

This position is responsible for managing a large number of Park Operator Agreements (private sector contractual agreements) within a region and which vary in term length from 1-10 years. The longer term 10-year PO Agreements provide a wide variety of services within parks and protected areas, and most agreements are for services located in the front country, but agreements also exist for some marine and backcountry park locations. These multi-park (bundled) agreements provide services for park visitors in campground and day use areas and include facility operation and maintenance, revenue collection, public safety and security, provision of additional enhanced recreational services (Service Plus) and maintaining BC Parks brand and customer quality service standards.

Qualifications for this role include:

- Degree in Management or Natural Resource Management or related field (e.g., geography, environmental studies) and three years of related experience, of which a minimum two (2) years' park/recreation management experience and one (1) year of natural resource management; OR,
- Degree in Business with focus on project and/or contract management in the Natural Resource Sector (e.g. business administration, public administration) with related experience, of which a minimum two (2) years' in project and/or contract management including negotiating terms and conditions; OR,
- Technical diploma in natural resource management or Parks Management or related field (e.g., geography, environmental studies) and five years of directly experience, of which a minimum two (2) years' park/recreation management and one (1) year of natural resource management; OR,
- Two (2) year Business Management Diploma with five (5) years of directly related experience, of which a minimum two (2) years in project and/or contract management including negotiating terms and conditions; OR;
- Secondary School Graduation with seven (7) years with directly related experience, of which five (5) years' experience in one or more of the following areas: contract management - including negotiating terms and conditions, park operations, supervision of seasonal staff, financials, and asset management.
