

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Canadian Pacific is a transcontinental railway in Canada and the United States with direct links to major ports on the west and east coasts. CP provides North American customers a competitive rail service with access to key markets in every corner of the globe. CP is growing with its customers, offering a suite of freight transportation services, logistics solutions and supply chain expertise. Visit cpr.ca to see the rail advantages of CP. **PURPOSE OF THE POSITION:**The Supervisor Design will be responsible for designing civil/track related projects in Civil 3D. This individual will also be responsible for conducting technical reviews of drawing sets submitted to ensure compliance to CP, AREMA, Transport Canada specifications and standards. **POSITION ACCOUNTABILITIES:**

- Prepare and review track and civil road bed drawings and specifications for railway track related projects, in accordance with appropriate technical, safety, CP business and regulatory requirements;
- Utilize designs created to conduct material take-offs for track construction but as well as estimate quantities relating to civil component of the work;
- Conduct review of material documents, shop drawings, plans and product specifications based on detailed design drawings and specifications and provide pin-pointed feedback on deficiencies in relations to not meeting prescribed standards or CP requirements;
- Assist in the development of new standard designs and drawings for track design, maintenance and construction;
- Maintain the system files for design briefs and assists with maintenance of system archive of drawings.

POSITION REQUIREMENTS:

- Post-Secondary Civil Technologist diploma or minimum 5 years' equivalent industry experience;
- Proficient use of Civil 3D;
- Proficient in use of Bluebeam REVU;
- Background knowledge of surveying and application;
- Familiarity with AREMA Standards for Class 1 Railways;
- Ability to navigate and utilize SAP;
- Experience and ability to utilize Microsoft Office suite of applications;
- Strong geometric analytics;
- Strong communicator across internal Engineering functions.

WHAT CP HAS TO OFFER:

- Flexible and competitive benefits package

- Competitive company pension plan
- Employee Share Purchase Plan
- Performance Incentive Program
- Annual Fitness Subsidy

ADDITIONAL INFORMATION:As an employer with national presence, the possibility does exist that the location of your position may be changed based on organizational requirements. **Background Investigation:**The successful candidate will need to successfully complete the following clearances:

- Criminal history check
- Reference check

Management Conductor Program:Becoming a qualified conductor or locomotive engineer is the single best way for a management employee to learn the business at CP. You may be required to obtain a certification or to maintain your current certification/qualification as a conductor or locomotive engineer. CP is an equal opportunity employer committed to the principles of employment equity and inclusion. We welcome applications from all qualified individuals. All applicant information will be managed in accordance with the federal Personal Information Protection and Electronic Documents Act ("PIPEDA").
