

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Finance

Victoria

Director IM/IT – Internal Audit and Advisory Services

\$87,600.00 – \$114,100.25 annually

The Ministry of Finance's Internal Audit and Advisory Services (IAAS) supports Treasury Board by providing independent and objective assurance and advice to support governance, accountability, performance management practices and effective financial management.

Directors of Internal Audit and Advisory Services provide leadership and direction to ensure the delivery of an effective program of internal audits and reports. The Director IM/IT is primarily responsible for leading and performing a wide range of complex IT audit/reviews in major information systems and IT governance areas of the BC public sector to ensure they are aligned with generally accepted frameworks and are consistent with strategic direction. As required, the Director IM/IT also plans and conducts non-IT reviews.

As the ideal candidate, you possess working experience in IT audits and analysis including reviewing, testing and analysing complex IT infrastructures; assessing IT strategies, policies and procedures; evaluating the effectiveness of IT security controls and information systems in supporting business processes; and reviewing the effectiveness of disaster recovery and business continuity plans.

Qualifications for this role include:

• Completion of a recognized accounting designation CPA (formerly CA, CGA, CMA); and/or

• Other relevant education, including MPA, MBA, CIA, CISA. An equivalent combination of education and experience may also be considered

• Minimum of 6 years of current or recent audit and/or advisory experience (with preference given to internal or performance audit experience)

• Minimum of 4 years of current or recent experience in a supervisory role (project or otherwise).

• Certified Information Systems Auditor (CISA) designation

• Minimum of 3 years of current or recent experience reviewing IT governance processes and controls, including information systems, change management, systems project management, information security and privacy, and computer operations

• Experience in applying generally accepted IT control frameworks (e.g. COBIT and ITIL) in an audit context

• Preference may be given to applicants who have 2 or more years of experience in a complex IT environment which includes security practices

How to Apply
