

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce Canadian Indigenous Job Seekers to a new approach to job searching. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Canadian Indigenous Peoples with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Closing Date (MM/DD/YYYY): 05/06/2021

Worker Type: Permanent

Language(s) Required: English, French

Location: Kanata, ON or Various FCC offices may be considered

Collections experience preferred:

Lead a team of technicians supporting relationship managers in the collection and intensive management of Special Credit Accounts. This position is designated bilingual (English and French), and the successful candidate must be able to communicate in both of Canada's official languages.

What you'll do:

- Make supervisory decisions regarding workload priorities, processes and procedures
- Perform administrative functions and overall operation management for Special Credit
- Manage team performance
- Identify employee development opportunities
- Act as a resource person for and coach technicians on handling highly complex loans, including risk management and compliance

What we're looking for:

- Confident communicator who prefers to consult with staff when working through challenges
- Sound judgment and knowledge of collection, recovery and related processes
- Proven leader with solid people skills
- Experienced coach and mentor able to manage a high-performing administrative team

What you'll need:

- Undergraduate degree in business administration with three to five years of related experience or a diploma or certificate in business administration with five to seven years of related experience, or an equivalent combination of education and experience
- Understanding of standard practices for loan administration and lending

- Advanced knowledge of FCCâ€™s Jet applications and proficiency with a personal computer
