

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Forests  
Mackenzie

Currently, we have two (2) full-time permanent positions available.

Please note this is an ongoing posting without a scheduled close date. The posting close date will be added to the posting a minimum of two (2) weeks prior to the posting close date. Applications will be reviewed on a bi-weekly basis  
Forest Technologist

BC Timber Sales (BCTS) manages about 20 per cent of the province's allowable annual cut for Crown timber, generating economic prosperity for British Columbians through the safe, sustainable development and auction of Crown timber.

BCTS also supports government's commitment to true, lasting reconciliation with First Nations in BC as we move toward fully adopting and implementing the United Nations Declaration on the Rights of Indigenous Peoples and the Calls to Action of the Truth and Reconciliation Commission.

The Forest Technologist acts with specialized knowledge and training regarding the practice of professional forestry when performing a wide variety of functions including: planning, engineering, timber sales and silviculture activities.

Qualifications for this role include:

- Graduation with a diploma or a degree in resource or forestry management.
- Registered with the Association of British Columbia Forest Professionals (ABCFP) as a Registered Forest Technologist (RFT) or Registered Professional Forester (RPF) AND a minimum of two (2) years of experience in operational field forestry activities,

OR

- Enrolled, or eligible for immediate enrollment, with the Association of British Columbia Forest Professionals (ABCFP) as a forest professional in training (TFT, ASTFT, FIT, ASFIT), for the purpose of obtaining an RFT or RPF designation AND a minimum of four (4) years of experience in operational field forestry activities.

- Operational field forestry activities include one or more of the following:

- o Timber harvesting cut-block development
- o Forest road engineering
- o Silviculture
- o Harvest operations
- o Compliance and enforcement

- Must possess at minimum a valid Class 5 BC Driver's Licence that does not limit or restrict the ability to conduct the duties of the job.
