

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Heavy-Duty Equipment Mechanic and Operator

Job ID	8B-32-9D-7E-44-2F	
Web Address	https://careers.indigenous.link/viewjob?jobname=8B-32-9D-7E-44-2F	
Company	Gulf Excavating Ltd.	
Location	Pender Island, British Columbia	
Date Posted	From: 2019-05-29	To: 2019-11-25
Job	Type: Full-time	Category: Construction
Job Start Date	As soon as possible	
Job Salary	\$36/hr, 40 Hrs/wk	
Languages	English	

Description

Gulf Excavating Ltd. on Pender Island, BC, is looking for a Heavy-Duty Equipment Mechanic and Operator with at least 4 years of combined experience and technical training in heavy equipment operation and repair. Work requires lifting up to 40 kg and handling heavy commercial truck tires. The successful candidate should be personable, have good judgment and be able to work independently, and be willing to get dirty doing required labour. Duties include the following:

- Drive trucks to transport equipment and aggregate materials.

- Operate heavy equipment, including skid-steer loaders, fork lifts, and excavators for projects such as excavating, landscaping, road-building, and assorted construction jobs.

- Regularly inspect equipment and heavy trucks to detect faults, and perform regular maintenance, including cleaning and lubrication.

- Conduct pre-operational checks on equipment to ensure optimum performance and safety.

- Do mechanical repairs on gas and diesel vehicles and equipment as needed, making adjustments and repairing or replacing defective parts, components, or systems.

- Perform related work as required.

Experience

- Completion of at least 3 years of vocational training in heavy equipment repair, or at least 4 years of combined industry experience and technical training.

Credentials

- A valid Class 3 Driver's License.

- Heavy-Duty Equipment Technician Red Seal Endorsement, a Journeyman's certificate, a Heavy Equipment Operator Certificate, or equivalent credentials are strong assets but not required.

Education Requirements

- Completion of secondary school.

Weight Handling

- Up to 40 kg

Work Environment

- Able to provide personal safety equipment (e.g., hard hat, safety goggles, safety vest, gloves, steel-toed safety boots).

Other

Note: If you do not meet these qualifications exactly but possess the required skills for this position, please submit your résumé and references for consideration.

How to Apply

Applications by email are preferred, but résumés may also be delivered to Gulf Excavating Ltd., 4415 Bedwell Harbour Rd., Pender Island, BC V0N2M1 or mailed to P.O. Box 85, Pender Island, BC V0N2M0.
