

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Do you have experience of Primary Care Nursing and supporting clients living with chronic disease Do you have a passion for working with vulnerable clients If so, we would love to chat with you about our new casual Registered Nurse opportunity in the Liver Care Clinic based in downtown Kamloops.

As the Primary Health Care Nurse at our clinic, you will be responsible for providing comprehensive and coordinated nursing care to clients living with chronic disease in an outpatient clinic through the assessment, planning, implementation and evaluation of care delivery. The Primary Health Care Nurse assists individuals to achieve safe, realistic and reasonable healthcare goals and to maintain optimal health through the provision of information/health promotion, disease prevention and treatment/care management services.

Working within a chronic disease management model, the Primary Health Care Nurse is responsible for working in direct collaboration with an inter-professional care team and defined network of Physicians, Mental Health, Pharmacy and other specialist resources to conduct integrated care planning, offer client assessments/clinic visits, and provide ongoing monitoring and self-management support follow-up for clients.

This is a casual position which means hours may vary and are not guaranteed. Shift times are Monday to Friday 08:18 â€” 16:30.

Apply today and join our team!

Experience

Three years recent related clinical nursing experience in chronic disease management of hepatitis and/or other blood borne diseases; or an equivalent combination of education, training and experience.

Credentials

Current practising registration with the College of Registered Nurses of BC (CRNBC).

Current valid BC Drivers License and use of a personal vehicle for occasional business use.

Education Requirements

Baccalaureate degree in Nursing

Post graduate courses in a chronic disease specialty or advanced skills training in Hepatology, such as the BCIT Viral Hepatitis course.
