

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Forests, Lands, Natural Resource Operations and Rural Development  
Kamloops

Pricing Business Analysis Forester

\$68,008.54 - \$85,592.73 annually

The Ministry of Forests, Lands, Natural Resource Operations and Rural Development has a mandate to manage specified Crown land and resources in a manner that embraces the economic, environmental and social goals of government.

The Provincial Timber Pricing Program is focused on addressing the Ministry's mandate under the Ministry of Forests and Range Act, specifically to assert the financial interests of the Crown in its forest resources in a systematic and equitable manner. The Regional Operations Timber Pricing Program is explicitly responsible for ensuring that timber measurements, pricing, billing, and log export authorizations are conducted correctly. The Program is also responsible for implementing policies and procedures to minimize risk, ensure accuracy while enhancing forest sector competitiveness.

The Pricing Business Analysis Forester ensures that the revenue requirements identified in the legislation, regulations, Ministry Service Plan, policy and procedures are met. This role works to explore the revenue implications of program activities, analyzes data to identify trends and initiates business improvements that streamline processes and improves certainty that correct revenues are being received from the harvest of forest resources.
