

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Location Calgary, AB

Date Posted From: 2021-10-12 To: 2050-01-01

Job Type: Full-time Category: Resource Sector

Description

Business Development RepresentativeReference Code: 93461 Location: Canada (CA) - Calgary, AB

Job Category: Business Development

Employment Type: Employee Full-time

Relocation Eligibility: This position is not eligible for our relocation program

Application Deadline: 10/22/2021 We all need energy. It warms our homes, cooks our food, gives us light, and gets us where we need to go. It also improves our quality of life in countless other ways. At TC Energy, our job is to deliver that energy to millions of people who depend on it across North America. And we take our job very seriously. Guided by our values of safety, integrity, responsibility and collaboration, we develop and operate our facilities safely, reliably and with care for our impact on the environment. With our presence across the continent, our people play an active role in building strong communities. We're proud of how our hard work and commitment sets us apart and benefits society, every day. We're looking for new team members who share our values and are ready to take on exciting challenges. To remain competitive, support our high-performance culture and allow for more flexibility in the way we work, we offer a hybrid work model and flexible dress code for our eligible office-based workforce in Canada, the U.S. and Mexico. The opportunity Our Non-Regulated Business Development team is evolving to meet the needs of our growing business and we are expanding our presence in Calgary to support the Canada Gas Commercial. We are seeking a Business Development Representative to join our Non-Regulated Business Development team, reporting to the Manager of Non-Regulated Gas Business Development. This role plays a critical part in all aspects of identifying, evaluating and advancing new business development opportunities within the traditional Gas Markets and New Energy space. You will be focused on assisting with current development initiatives and preparing material for marketing and management review. Success in this role requires an emphasis on efficient prospecting and networking, the ability to identify and coordinate internal and external resources and the ability to establish strong strategic relationships. What you'll do

- Participate in the development of market strategies and business plans using comprehensive knowledge of the market and its trends, and competitors' offerings and positioning
- Participate in internal or external market assessments to identify business opportunities,

infrastructure requirements, and market share development

- Provide significant contributions for developing new opportunities for Canada Gas

- Collaborate with internal teams in creating a strong market presence by analyzing new opportunities and targeting markets consistent with business objectives and growth targets

- Develop strong relationships with internal and external stakeholders including existing customers, interconnecting pipelines, and project investors / developers

- Understand customers' needs and collaborate with internal and external experts, to develop suitable innovative solutions

- Prepare materials required for internal approvals necessary to advance BD opportunities and/or secure funding from TC energy's Business Development Committee (BDC) and/or Capital Allocation Committee (CAC)

- Participate in negotiations for terms and conditions of partners or client agreements as required

- Accountable for delivery of value-add investment opportunities that are strategically aligned, on-time, in-scope and on-budget, while working closely with internal teams, including Commercial, Regulatory, Projects, Operations and corporate Minimum qualifications

- Undergraduate degree in Business, Economics, Engineering, or related field

- Minimum 10+ years of commercial, development, or related experience

- An alternative combination of education and experience may be considered Preferred qualifications

- Experience in the energy transition space and/or within a commercial or business development team

- Customer service focus with an understanding of customer needs and expectations

- Results driven to overcome obstacles in a proactive manner

- Proven ability to operate efficiently and effectively in unstructured, project-oriented environment

- Excellent communication, presentation and facilitation skills

- Strong ability to analyze and create effective customer solutions

- Demonstrated interpersonal skills and ability to participate effectively in a fast paced, dynamic changing environment

- Demonstrated skills in working in ambiguous situations

- Proven ability to understand and develop win/win solutions in the market
