

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Job Brief:

We are looking for a General Manager to oversee all staff, budgets and operations of the local business unit. General Manager responsibilities include formulating overall strategy, managing people and establishing policies. To be successful in this role, you should be a thoughtful leader and a confident decision-maker, helping our people develop and be productive, while ensuring our profits are on the rise. Ultimately, you will help our company grow and thrive.

Job Description:

- Establish objectives for the company and formulate policies and programs for the achievement of the objective
- Control budgets and optimize expenses
- Allocate resources for the implementation of company policies and programs
- Ensure employees are motivated and productive
- Oversee day-to-day operations
- Design strategy and set goals for growth
- Maintain budgets and optimize expenses
- Set policies and processes
- Ensure employees work productively and develop professionally
- Oversee recruitment and training of new employees
- Evaluate and improve operations and financial performance
- Direct the employee assessment process
- Formulate strategies for promotional campaigns
- Prepare regular reports for upper management
- Recruit executive department heads, managers and other senior staff members
- Make sure that there is smooth coordination between different departments
- Ensure staff follows health and safety regulations
- Provide solutions to issues (e.g. profit decline, employee conflicts, loss of business to competitors)

Work Conditions and Physical Capabilities:

Strong leadership skills, Excellent communications skills, Strong analytical and project management skills, Strategic mindset, with ability to make difficult decisions

Experience

3 years to less than 5 years of experience in business development, marketing and sales or middle manager in the field

Education Requirements

A university degree is required
