

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Located on the Xwemelch'stn (Capilano) Indian Reserve on Skwxw̓'mesh (Squamish) Nation Territory in West Vancouver, BC, the Aboriginal Housing Management Association (AHMA) exists to make a difference in urban, rural and Northern housing. We oversee the administration of operating agreements between housing providers and Aboriginal housing organizations, keeping everyone's best interest in mind and developing and maintaining relationships of trust. Every employee on our team is integral to ensuring our success and the success of the Housing Providers we serve.

AHMA's Asset Strategies team provides leadership and technical support services to our housing partners to ensure optimum long-term sustainability and performance of housing assets. Working in collaboration, the team provides value through all aspects of asset management including, but not limited to facilitating condition assessments, conducting portfolio solutions analysis, maintenance and capital renewal planning, technical support advice, and implementation of projects and support initiatives.

Reporting to the Director of Asset Strategies the Project Manager contributes to the success of the organization by providing guidance and direct project management services for a diverse portfolio of construction, renovation, and large maintenance projects.

See attachment for full details.

Experience

Minimum 5 years' experience in managing new construction, renovations, and maintenance projects, including but not limited to project management, contract management, and budget management, and on-site construction inspections.

Proven experience working with Aboriginal people; direct experience working within a First Nations environment is a definite asset.

Credentials

Applied technology diploma in architecture, engineering (civil), building technology or related field from a recognized technical college.
