

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Canada Mortgage and Housing Corporation (CMHC) helps Canadians meet their housing needs. As Canada's authority on housing, we contribute to the stability of the housing market and financial system, provide support for Canadians in housing need, and offer objective housing research and advice to Canadian governments, consumers and the housing industry. Prudent risk management, strong corporate governance and transparency are cornerstones of our operations. Our work matters to a great many people and our employees matter to us.

Bring your financial analysis skills and your client focus to this Senior Analyst, Financial Solutions position.

This temporary-full time position (12 months) is an exceptional opportunity to become a member of the Financial Solutions team, where you will be responsible for performing the review, prioritization and approval of subsidy, contributions and loans applications under the National Housing Strategy (NHS) and existing Affordable Housing programs. You will also be responsible for the risk recommendations and decisions relevant to reviewing applications, financial assessments, mitigating risks, optimizing client service and achieving government program objectives.

How You Will Be Contributing

- Providing effective and efficient delivery of NHS and existing Affordable Housing programs in contribution to service standards.

- Reviewing, prioritizing, assessing financial viability and approving loan, subsidy and contribution applications and leveraging the various programs offered by Assisted Housing to find the most suitable solution for the proponents to achieve the expected results of the programs.

- Reviewing, prioritizing, assessing financial viability and approving affordable housing loan, subsidy and contribution applications within the associated policy framework and delegated financial authorities.

- Applying sound judgement and decision-making practices that are factual and based on well-reasoned financial analysis to derive recommendations and solutions in line with the expected results of the programs and within CMHC's risk appetite and government expectations.

- Working in partnership with clients, stakeholders, and various levels of government by offering advice, support and alternative solutions and communicating key decisions, interpreting policies and responding to inquiries related to NHS programs

- Serving as peer reviewer and approver on real estate investment and risk recommendation decisions within the financial authority limits.

- Providing input to shape functional policies, products, and processes.

- Supporting the preparation of briefing notes, submissions, issue papers, dockets, and responses to Ministerial and presidential correspondence related to the delivery of NHS and existing Affordable Housing programs.

What We Are Looking For

- Commitment to demonstrating CMHC values

- Bachelor's Degree such as Business, Finance, or Commerce with a minimum two (2) years of relevant experience or an equivalent combination of related education and experience

- Demonstrated experience working with financial viability assessments and loan approvals

- Demonstrated experience reviewing, evaluating and prioritizing loans, subsidies and/or contribution applications

- Knowledge of mortgage loan insurance, real estate, financial markets and credit risk analysis

- Knowledge of Assisted Housing programs

- Strong analytical and problem solving skills

- Strong oral and written communication skills

- Ability to establish and maintain effective working relationships
