

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests

Kamloops

Two permanent, full-time positions are currently available in Kamloops.

Resource Manager

\$86,200.00 - \$122,100.01 annually

Hybrid

The Ministry of Forests delivers holistic resource management services for British Columbians and manages specified Crown land and resources in a manner that embraces the economic, environmental and social goals of government. These results are all essential to improving the global competitiveness of BC industry and our ability to attract private investment and to stimulate economic growth and job creation across the province. As a Resource Manager in the Thompson Rivers District, you work within natural resource management or infrastructure development (i.e., transportation operations or forest management) and you are accountable for managing the delivery of district-wide operations consistent with Ministry priorities and objectives and legislative requirements. In this role, you also oversee a large team comprised of technical, administrative, and professional staff. If you are looking for an exciting leadership opportunity in natural resource management, we encourage your application.

Qualifications for this role include:

- University degree or diploma in a field related to natural resource management, business/public administration and five (5) years of directly related experience; OR,
 - An equivalent combination of related education and a minimum of seven (7) years of directly related experience may be considered.
- Directly related experience is defined as experience in one (1) or more of the following example disciplines: tenures, stewardship, range, engineering, water, corporate services, First Nations and land information; or other relevant natural resource discipline.
- Recent experience (in the last five (5) years) in human resource management, direct supervision, and in leading and coaching diverse teams.
 - Minimum one (1) year of experience developing and maintaining working relationships and resolving complex multi-stakeholder issues with First Nations, stakeholders, clients and/or partners in natural resource management.
