Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Other

Yukon Native Teacher Education Program (YNTEP) is a dynamic, forward-thinking degree program committed to building educational practices that support reconciliation between Indigenous and non-Indigenous Canadians. Its goal is to train our future teachers and educators to thrive in diverse, cross-cultural and rural educational environments.

This program was created in 1989, born from a vision for change outlined in the landmark document *Together Today for our Children Tomorrow*. It stressed that Yukon schools must teach Yukon First Nations' history, employ culturally responsive teaching practices, and ultimately must be relevant to First Nations students by honouring and validating their rights, spirituality, language, culture, philosophy, and pedagogy.

Yukon College is committed to the values of equity, diversity and inclusion. All qualified persons are encouraged to apply; however, qualified scholars who self-identify as Yukon First Nations, other First Nations, Métis, Inuit, or other Indigenous ancestry will be given priority. While we thank all candidates for their interest, only those shortlisted will be contacted.
