

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Centre Manager - BETAC (Term)

Research Partnerships & Innovation

Position Location: Notre Dame Campus (Winnipeg, MB)

Full-Time, Term Position Available

Anticipated August 1, 2019 up to March 31, 2020

Possibility of an Extension

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits, and the opportunity for personal and professional growth in a rewarding career.

Duties: Reporting to the Executive Director, Research Partnerships & Innovation, the Technology Access Centre (TAC) Manager is responsible for the strategic planning, business strategy and operational management of Red River College's Building Envelope Technology Access Centre (BETAC).

The incumbent manages the financial and human resources of BETAC and ensures appropriate quality measures and standards are in place. The incumbent actively markets the services of the TAC and secures applied research projects in sufficient volumes to fund the ongoing operation of the TAC. Acts as a bridge between researchers and businesses to ensure that impactful products, technologies, policies, procedures and services are effectively transitioned from research to practical applications in the real world. The successful candidate will have the opportunity to expand the reach of BETAC as it undergoes the renewal application process.

REQUIRED QUALIFICATIONS

- Degree in Engineering and/or Business Administration or an equivalent combination of education and experience may be considered
- Several years relevant experience in a management role, preferably in technical service delivery
- Experience marketing technical services and conducting business development activities
- Experience developing business plans and establishing and meeting business plan goals and targets
- Strong knowledge of building/construction industry and relevant supply chain in the region
- Strong business acumen in project planning and management
- Experience working with granting agencies and familiarity with granting agency guidelines
- Strong written communication skills
- Excellent organizational and analytical skills
- Excellent leadership and team management skills
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

### ASSET QUALIFICATIONS

- Formal project management training or experience

- Eligible for registration as a P. Eng.

### CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada

- This position may be required to work evenings and/or weekends

### How to Apply

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email

Apply to Red River College by email: [humanresources@rrc.ca](mailto:humanresources@rrc.ca)

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

We seek diversity in our workplace. Aboriginal persons, women, visible minorities and individuals with disabilities are encouraged to apply.

Competition #: 2019-162

Closing Date: July 24, 2019

Salary: \$69,203 - 94,717 per annum

We thank all applicants for their interest, but only those selected for an interview will be contacted. Red River College provides accommodations to applicants with disabilities throughout the hiring process. If an applicant requires accommodation during the application or selection process, Human Resource Services will work with the applicant to meet the accommodation needs.
