

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests

Mackenzie

Resource Authorizations Supervisor

The Ministry of Forests is responsible for the stewardship of provincial Crown land and ensures the sustainable management of forest, wildlife, water and other land-based resources. The Ministry works with Indigenous and rural communities to strengthen and diversify their economies.

As the Resource Authorizations Supervisor, you will be responsible for the supervision, coaching, development and performance management of a team of technical staff in the Mackenzie Natural Resource District. You will also build and maintain relationships with internal and external interest holders, identify operational priorities, and develop strategies for delivering program goals. Your communication, organization and collaboration skills will be an asset in this diverse and challenging role.

The BC Public Service is committed to creating a diverse workplace to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

Qualifications for this role include:

- Degree, diploma, certification in a natural resource field.
- Experience in negotiating/mediating solutions in natural resource management.
- Experience supervising, leading, coaching and mentoring staff.

Preference may be given to applicants with the following:

- Registered, or eligible for registration as a Registered Forest Technologist with the Association of BC Forest Professionals.
