

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

The City of Coquitlam is the sixth largest city in BC, home to more than 150,000 residents. Our municipality continues to grow through innovative urban design, inspiring arts, culture and recreation programs, and state-of-the-art transportation systems. Our brand is built on managing our resources in a responsible and sustainable manner, while supporting a vibrant, growing regional urban centre.

We are seeking up to eight new members for our Public Works team. These positions will rotate through the Sewer, Drainage, Water, and Roads departments in an effort to familiarize and train employees for our regular full time Maintenance Worker positions.

This is manual work assisting Maintenance Workers in the day to day monitoring, repair and replacement of public works infrastructure. This would include: asphalt repairs; concrete repairs and replacement; sign maintenance and replacement; line painting; vegetation control; snow and ice response; cleaning, repairing and installing sewer and drainage mains and services; repair and installation of water mains and services; pump station maintenance; emergency response; traffic control; and response to customer service requests.

Completion of Grade 12, or equivalent, plus some related experience in general public works maintenance or an equivalent combination of training and experience is required. A valid Class 5 BC Driver's License is required.

A CUPE hourly rate of \$29.33, 6% in lieu of benefits, and an earned day off program is being offered.
