

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

## Civil Engineering Technologist

<b>Job ID</b>	<b>AA-0C-F4-53-FD-A6</b>	
<b>Web Address</b>	<a href="https://careers.indigenous.link/viewjob?jobname=AA-0C-F4-53-FD-A6">https://careers.indigenous.link/viewjob?jobname=AA-0C-F4-53-FD-A6</a>	
<b>Company</b>	Urban Systems Ltd.	
<b>Location</b>	Kamloops, British Columbia	
<b>Date Posted</b>	From: 2022-01-12	To: 2022-01-24
<b>Job</b>	Type: Full-time	Category: Engineering
<b>Languages</b>	English	

### Description

We are looking for a Civil Engineering Technologist to join our Kamloops team. This is an opportunity to join our existing team of professionals providing quality services to our clients throughout BC. In this role, you will benefit from the support of industry professionals while working on exciting and challenging projects that make a visible difference in many communities.

Our design technologist team is an essential part of our practice and our ability to deliver excellent service to our clients. You will be working to complete designs from high-level conceptual through to detailed design drawings. Specifically, you can expect to be involved in:

- Carrying out drafting and design assignments
- Communicating with team members and project leaders
- Supporting design, drawing production and/or construction specifications
- Ensuring quality control of both design and drafting production work
- Performing field inspections during construction projects
- Performing a variety of defined assignments with guidance from team members
- Advising the team on technical problems and troubleshooting
- Promoting and instilling a sense of teamwork among members

### Education Requirements

Our preferred candidate will be a graduate from a civil technology diploma program or equivalent and certified or eligible for certification with ASTTBC.

### Essential Skills

Given the variety of project needs and a desire to find the right person to join our team, we will consider candidates with a range of experience, education, and background in land development, transportation, municipal infrastructure design production, and field inspection. We are looking for the following skills, strengths, and interests:

- Excellent drafting skills with good knowledge of drawing set-up and production
- Proficiency in AutoCAD and Civil 3D (required)
- Proficiency in or willingness to learn Infracore (required)
- Proficiency with Microsoft Excel and other MS Office software
- A keen eye for detail and take great pride in your work, both the large and the small projects
- Effective communication and writing abilities
- Committed to ongoing personal and professional development

### Work Environment

Our Commitment to You

Are you just getting started in your career You're in the right place! Join our purpose driven team today to build your career and be part of our mission to build vibrant communities across Canada. Here's what you can expect as a part of the Urban Systems team:

- Learn and Grow. Grow your career with Urban Systems! You are encouraged to take initiative and shape your career through coaching, in-house learning, technical courses, and more.

- Competitive Compensation. Your skills and contributions are valued. You'll receive competitive compensation, extended health, dental, vision care coverage and more.
- Paid Time Off. We encourage all team members to take time off to recharge and spend time with loved ones. Enjoy 3 weeks of paid vacation to start, in addition to statutory days off throughout the year.
- Flexible Hours & Work Environment. You have a life outside of work! We offer flexibility in your work schedule and work environment to help you do your best work and meet your commitments.
- Work with Inter-Disciplinary Teams. Amazing things happen when you mix creativity, curiosity, teamwork, and a strong desire to collaborate and innovate. You will be part of diverse, inter-disciplinary teams to deliver important work for our clients and their communities.
- You're in Good Company. Build relationships with a dynamic, accountable, and engaged team fueled by our shared purpose. Every branch facilitates connection with a series of events. Did someone say donut days, lunch & learns, team competitions, and more!
- Beautiful Office. Do your best work in office spaces designed with your needs in mind. Each of our 15 offices has its own unique personality and design.
- Create Lasting Community Impact. 98% of Urban Systems employees believe that the work we do is important. Join a team of like-minded leaders and work together to bring to life impactful community projects.
