

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

A great opportunity to take the next step in your career

Adult Custody is one of two divisions of the Corrections Branch and is responsible for the care of approximately 2900 male and female inmates. It provides offender programs and additional services which balance risks and needs; ensures linkage with Community Corrections based on common core programming and integrated case management; communicates with stakeholders and participates as a pro-active partner in the criminal justice system.

The purpose of this position is to provide technical trades based instruction to inmates in a correctional centre ensuring safety, care, security and custody of inmates during instructional sessions. Programs taught can include carpentry and metal fabrication and inmates will be able to log hours of instruction towards apprenticeship programs once released as befitting Red Seal certified instructor led programs.

We offer extensive training, growth and development opportunities; a competitive salary and benefits package; a pension plan that ranks among the best; and offer a balance between work and life commitments and much more. We are committed to continuing to be an employer of choice and providing a professional environment where ideas work.
