

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

About the Job

Enjoying physical labour, teamwork and working outdoors as well as being safety-minded are vital to a career in rail operations at CN. With a vibrant, 24/7 schedule, no two days will ever be alike. You can expect fresh challenges, a safety-focused work environment, paid training and supportive colleagues who share your passion for motion. Conductors work as members of two or three person train crews and perform duties associated with the movement of trains, rail cars, and locomotives in rail yards and on the road.

Paid Training

Successful applicants will participate in an intensive paid training program that includes 11 weeks of training (7 weeks classroom at the CN Campus in Winnipeg, MB and 4 weeks field training). Expenses related to transportation, accommodation and meals while in Winnipeg are covered by the company
