

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Must have a minimum of five years relevant experience,

Boilermaker or pipefitting background experience is preferred

Excellent interpersonal and communication skills

Ability to build good, respectful working relationship in a team environment

Strong computer skills: Microsoft Office including creating and manipulating Word documents and Excel worksheets, SAP beneficial.

Effectively manage time and priorities.

Essential Skills

Who we are

A leading member of Canada's energy industry, Imperial offers exciting opportunities across our upstream, downstream and chemical, and corporate divisions. We are committed to high standards, applying technology and innovation to meet energy demands in a safe, reliable and environmentally sound manner. No matter what your career path, we provide the platform to elevate your goals and achieve your ambitions, while providing support through wide-ranging programs and benefits.

Other considerations

For applicants selected to be interviewed, pre-employment background screening will be required.

We thank all those who apply; however, only those candidates selected for interviews will be contacted.

Eligibility to work in Canada

All applicants who receive an offer of employment must be eligible to work in Canada on their start date. Proof of eligibility shall be in the form of a Canadian birth certificate, Canadian passport, Canadian citizenship certificate, Canadian certificate of permanent residence, Canadian open work permit or receipt from Immigration Canada of an application for a post-graduate work permit. Proof of eligibility must be current and valid (not expired, cancelled or voided). Proof of eligibility will be required if an offer of employment is made. Failure to provide proof of eligibility at least six (6) weeks prior to the start date may result in the offer of employment being rescinded.

Application deadline: July 28, 2019

Imperial is committed to providing equitable treatment and equal opportunity to all individuals.

In certain situations, Imperial may use your application to consider your suitability for other positions in the company and may also provide the information to its affiliates, including affiliates of Exxon Mobil Corporation, in connection with possible opportunities at those affiliates.

Work Environment

Start date: October 2019

Location: Nanticoke Refinery, Nanticoke, ON

Your benefits

A company committed to career growth - we recruit those who are interested in a career with Imperial and prefer to develop and promote people from
