

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Forests, Lands and Natural Resource Operations and Rural Development  
Squamish

Resource Specialist Revenue

\$60,998.61 - \$69,422.06 annually

The Ministry of Forests, Lands and Natural Resource Operations and Rural Development is responsible for stewardship of Provincial Crown land and natural resources, and protection of BC's archaeological and heritage resources. Overseeing a land base of 94.8 million hectares, the Ministry supports the sustainable management of forest, mineral and land resources, the prosperity, viability and competitiveness of industries that use them, and public access for a wide range of activities such as hunting, fishing and recreation. The Ministry is responsible for policy development, operational management and implementation, and oversees over 50 statutes and associated regulations.

The Resource Specialist - Revenue provides independent technical leadership of the Natural Resource District's forest revenue program. This role has a strong focus on overseeing and providing guidance to the work of other technical staff and contracted resources and conducting detailed analysis and review of revenue submissions by forest professionals (Timber Cruise, Waste Assessment, and Appraisals).

With over 200 different occupations available in 280 communities across the province, we offer exciting opportunities for your career. Come be a part of the BC Public Service, a Top 100 Employer that embraces diversity, health and career growth. For more information, please see What We Offer. The BC Public Service is committed to creating a diverse workplace to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

The Indigenous Applicant Advisory Service is available to applicants that self-identify as Indigenous (First Nations, status or non-status, Métis, or Inuit) seeking work or already employed in the BC Public Service. For advice and guidance on applying and/or preparing for an interview for this opportunity, we invite applicants to connect with the Indigenous Applicant Advisor Amanda by email:

IndigenousApplicants@gov.bc.ca or by phone: 778-698-1336.

Qualifications for this role include:

- Diploma (or higher) in natural resource management or in a related field, and a minimum of two years' natural resource management experience or an equivalent combination of education and experience.

- Registered, or immediately eligible for registration as a Registered Forest Technologist (RFT) with the Association of BC Forest Professionals (ABCFP).

- Experience performing technical duties and working with key statutes that support natural resource management.

- Experience with acts and regulations related to natural resource management.

- Valid BC driver's licence.
