

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Proven IFRS expertise rewarded

Develop accounting policies that reflect transactions and are in accordance with IFRS standards. Youâ€™ll provide input into the preparation of financial statements and notes, recording complex transactions in collaboration with various business units.

What youâ€™ll do:

- Analyze complex transactions and use your professional judgment to recommend accounting treatment
- Monitor for additions and revisions to IFRS standards and facilitate their implementation
- Prepare financial statements and accompanying notes for quarterly and annual statements
- Act as finance liaison
- Research tax requirements; remit returns
- Determine appropriate accounting treatment for new transactions

What weâ€™re looking for:

- Problem-solver with strong analytical skills
- Organized multi-tasker who pays attention to detail
- Critical thinker with sound judgment
- Confident communicator able to build strong relationships

What youâ€™ll need:

- A bachelorâ€™s degree in accounting, business administration or commerce and at least three years of related experience (or equivalent combination of education and experience); knowledge of SAS analytical tools is an asset
- Professional accounting designation
- In-depth understanding of lending practices and IFRS
