

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

As a POCU / OR Attendant, you are responsible for providing support within the Operating Room (OR) and Post-Anaesthesia Care Unit (PACU) for various housekeeping and transporting duties, maintenance of supplies and equipment in an aseptic environment, with focus on decontamination, disinfection, sterilization, infection control, positioning, and workplace safety.

Shift: Various Shifts Casual, Part-Time

Although this posting indicates an initial area of assignment and shift, the Hospital reserves the right to assign to other areas of assignment and shifts as deemed necessary

Here's What You'll Get To Do:

Responsible for performing environmental services duties to ensure a high standard of cleanliness is maintained throughout the department by:

Cleaning of equipment in the POCU areas, OR theatres, procedure rooms in IGT, CDIU, unit-based specialty equipment, MRI equipment, and terminal cleans of POCU areas as per hospital protocols. Replacing soiled drapes as needed.

Cleaning non theatre areas, including windows, vents, walls, ceilings, light fixtures, etc.

Dust mops and damp mops, high dusts, vacuum carpets, cleans stairwells and corridors by use of manual and automatic methods.

Collecting all waste, soiled linens and used case carts and places them into the soiled utility room for proper disposal and/or retrieval from Housekeeping and/or MDRD.

Assisting the POCU teams with items pertaining to patient care activities as necessary and as directed by clinical staff including:

Delivering equipment as needed.

Having a demonstrated knowledge of OR table/IGT, CDIU procedure table and positioning devices and accessories in order to ensure proper set up for the specific OR/procedure

Provide support during initial positioning of patients prior to and support positioning changes during procedures as required

Gathers positioning related equipment

Provide support of skin preparation of patients according to established procedures.

Assist with transport of patients to and from Operating Room/IGT/CDIU.

Transport equipment and supplies as needed for procedures

Respond to any patient emergency situations as required

Load and unload scrub machine

Identify the safe handling of specimens, implications of spills and safety measures required to prevent hazards.

Identify principals of Asepsis, handling and storage of sterile supplies, understand and prevent the transmission of pathogens; understand the difference between cleaning/disinfecting/sterilizing

Identify causes, implications, precautions and safety measures associated with body mechanics.

Identify Biological Safety Hazards causes, sources, precautions and safety measures associated with body fluids, sharps or needle sticks injuries and handling of medical waste.

Identify chemical safety hazards, causes, implications, precautions and safety measures required to prevent hazards such as, Glutaraldehyde, Disinfectants, Methyl methacrylate (bone cement), sterile sterilant concentrate and Dusorb or Viosorb (soda lime).

Assists in preparing equipment and supplies for procedures by:

Maintaining an inventory of supplies, equipment and linen.

Stocking supplies to areas as required, including to satellite procedure areas.

Maintaining cleaning related equipment.

Assists with training of new staff when required.

Must adhere to all ORNAC/PIDAC cleaning standards. Must adhere to all infection control and prevention policies and procedures. Follow all occupational health and safety guidelines.

Hereâ€™s What Youâ€™ll Need:

Secondary School Diploma or equivalent

Completion of an OR Attendant certification program an asset.

Completion of a PSW certificate program an asset.

1-year recent experience in related disciplines preferred (ex. PSW/OR attendant/Environmental Services)

Basic Cardiac Life Support and First Aid Certificate an asset.
