

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Instructor (Term)

Math, Science and Communication

EXPRESSION OF INTEREST

Position Location: Notre Dame Campus (Winnipeg, MB)

Full-Time, Term Position Available

Anticipated up to 03/31/2020

Possibility of an Extension

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

Red River College is a leader in applied learning and innovation. Our talented team of employees is passionate about education, innovation and student success. We offer competitive salaries, extensive benefits, and the opportunity for personal and professional growth in a rewarding career.

Duties: Reporting to the Chair of the Mathematics, Science & Communication Division, the Instructor is required to develop and deliver applied math and science courses in the Skilled Trades and Technology programs. The incumbent will develop and modify curriculum; conduct student assessment; supervise student practical labs; maintain accurate course records; effectively manage classroom activities; and perform related administrative responsibilities as required. The incumbent will instruct at both the Notre Dame and Exchange District Campuses in Winnipeg, Manitoba.

### REQUIRED QUALIFICATIONS

- An Engineering degree or diploma in Mechanical, Electrical, Electronic, Civil or Red Seal Endorsed in Trades
- Related industry experience after attainment of formal qualifications
- Knowledge and experience with the application of Math and Science fundamentals in the trades and technology occupations
- Knowledge and experience with Microsoft Office applications including Word, Excel, Power Point and Outlook
- Experience in integrating technology in teaching, and ability to adapt to new technology
- Excellent written and verbal communication skills
- Strong interpersonal skills and the ability to build and maintain positive relationships
- Effective presentation skills
- Experience using conflict resolution techniques to facilitate positive outcomes
- Ability to work independently as well as collaboratively in-group settings
- Effective leadership skills
- Values Diversity, Equity, and Inclusion
- Commitment to lifelong learning

### ASSET QUALIFICATIONS

- Completion or current enrollment in the CAE program
- Experience in curriculum development
- Experience in Desire to Learn

### CONDITIONS OF EMPLOYMENT

- Applicants must be legally entitled to work in Canada
- This position may be required to work evenings and/or weekends
- Incumbent must provide a current and satisfactory Criminal Records Check
- This position is subject to audiometric assessments
- Instructors are required to complete a Certificate in Adult Education (CAE)
- May be required to work at various RRC campuses

### How to Apply

Applicants are to clearly demonstrate how they satisfy the selection criteria in their written submissions and must identify the competition number they are applying for in the subject line of the email

Apply to Red River College by email: [humanresources@rrc.ca](mailto:humanresources@rrc.ca)

This competition may be used to establish a 12 month eligibility list of qualified candidates for future vacancies.

We seek diversity in our workplace. Aboriginal persons, women, visible minorities and individuals with disabilities are encouraged to apply.

Competition #: 2019-282

Closing Date: November 27, 2019

Salary: \$58,158 - 86,376 per annum\*

We thank all applicants for their interest, but only those selected for an interview will be contacted. Red River College provides accommodations to

applicants with disabilities throughout the hiring process. If an applicant requires accommodation during the application or selection process, Human Resource Services will work with the applicant to meet the accommodation needs.
