

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Senior Authorizations Technologist

\$69,760.70 - \$79,322.69 annually, effective April 7, 2024

The Ministry of Forests delivers land management services for British Columbians. It is responsible for establishing policy and conditions for the province's forest, land, water and natural resources.

The Senior Authorizations Technologist provides expertise and advice for issuing cutting and road permits. They also provide advice in minor forest tenures, appraisals and timber cruising. This role oversees and provides guidance to the work of other technical staff, clients, and contracted resources. The main responsibility for this position is adjudication of cutting permit and road permit submissions.

The Okanagan Shuswap Natural Resource District fosters a strong work-life balance and currently supports up to two days of remote work under a telework agreement. The excellent benefits package and flexible work schedules round out this great opportunity. Working in a team environment, you can support other programs and work on your career development goals. You may also have the opportunity to support BC Wildfire Service during busy fire seasons through the TEAMS program.

Qualifications for this role include:

- Registered, or immediately eligible for registration, as a Registered Forest Technologist (RFT) with Forest Professionals BC (FPBC). Note: immediately eligible for registration is defined as being able to transfer a current membership from an applicable jurisdiction to FPBC within six (6) months of employment. Confirmation of registration/eligibility is required before an offer of employment can be made.
- Diploma in natural resource management or a related field; an equivalent combination of education and experience may also be considered.
- Minimum of two (2) years of related experience working in natural resource management.
- Experience performing technical duties and working with key statutes that support natural resource management.
