

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

The DENE NATION is seeking an experienced, team-oriented research analyst for a position as DATA ANALYSIS/REGIONAL SURVEY COORDINATOR to join our growing organization in Yellowknife, Northwest Territories.

Reporting to the Director of Information Services, the Coordinator will be responsible for delivering regional survey projects, collecting the data and interpreting the results which will assist in the delivery of programs and services within Dene Nation.

The Coordinator will act as a liaison between the Dene National Office, communities and other related government departments and agencies.

### QUALIFICATIONS

The ideal candidate will have completed post-secondary education in Information Technology, Social Sciences or Humanities as well as have an extensive background in data collection and statistical analysis.

Experience working with First Nations communities as well as conducting surveys to support community development and/or research in relation to First Nations issues would be a definite asset. Other related experience and education may be considered.

### SKILLS AND ABILITIES

Advanced research skills and the ability to critically appraise and evaluate research is required. Demonstrated proficiency in statistical programs such as SPSS, SAS or STATA software (i.e., fluency with syntax) and Microsoft Office.

Excellent oral, written and presentation skills as well as experience in the preparation of data reports required.

Must possess exceptional interpersonal skills, and the ability to work collaboratively with a small team and liaising with stakeholders from various sectors.

Demonstrated ability to take initiative to prioritize project deliverables.

Valid Driver's License required.

Understanding the history of the Dene and the Dene Nation is essential.

Fluency in a Dene Language would be an asset

A detailed job description is available upon request.

The Dene Nation offers a competitive wage with excellent benefits.

Starting salary \$80,000 depending on experience.

DEADLINE: August 31, 2021
