

# Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

Ministry of Agriculture and Food

Multiple Locations (On-Site)

There is currently 1 temporary opportunity for an as and when needed inspection position until March 31, 2024.

This position can be based out Cranbrook or Creston.

Meat Hygiene and Agri-food Inspector

\$37.08 to \$42.16 hourly plus 1 Grid TMA

The Ministry of Agriculture works to promote an innovative, adaptive and globally competitive agri-foods sector for the benefit of all British Columbians. The agri-foods sector (agriculture, fisheries, aquaculture and processing) is an important and successful contributor to the B.C. economy and has responded vigorously to challenges and opportunities. The Ministry's support of healthy and safe agri-food and seafood production and post-production processing provides new and value-added products for domestic and international markets, contributing to B.C. jobs and the economy as well as to diversified rural communities.

As a Meat Hygiene and Agri-food Inspector, you provide inspection services according to provincial policies and procedures to licensed abattoirs and perform ante-mortem and post-mortem inspection of animals, recording observations and ensuring meat handling procedures are observed. You are an effective communicator, able to educate facility operators and staff regarding applicable policies and deal with potential situations of conflict. You will share expertise with new/apprenticing meat inspectors; evaluate livestock management and adherence to best practices for animal welfare; and conduct preliminary food safety inspection of meat processing activities.

You will work on a professional team committed to maintaining and establishing the standard required to keep B.C.'s meat production industry safe. If you are seeking a professional career in a role that makes a difference in the lives of British Columbians, we look forward to your application.

Qualifications for this role include:

- Training and experience working as a meat inspector in a slaughter establishment; OR,
- Secondary school graduation (or equivalent) education with training and experience in meat processing; OR,

- A Diploma in animal science, veterinary technician, food science, or meat processing.
