

Indigenous.Link

Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Links Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

Description

Ministry of Forests

Vernon (Hybrid)

Flexible work options are available; this position may be able to work up to 2 days at home per week subject to an approved telework agreement.

This position is also posted as an STO under REQ 111603.

This is a temporary opportunity until March 31, 2025 and could be extended. A permanent appointment may result from this temporary appointment.

Land and Resource Coordinator

The Land and Resource Coordinator works in diverse teams, gathers and manages complex natural resource data, completes analysis, and develops options. This role also advises statutory decision-makers and facilitates and coordinates projects. The Land and Resource Coordinator will engage with stakeholders to support land/resource management decisions and resolve complex stewardship issues. The position will also focus on the district's post-fire recovery and rehabilitation efforts. Contract coordination and contract management are part of this role's responsibilities.

The BC Public Service is committed to creating a diverse workplace to represent the population we serve and to better meet the needs of our citizens. Consider joining our team and being part of an innovative, inclusive and rewarding workplace.

For information about the Indigenous Applicant Advisory Service, please visit: [Indigenous Applicant Advisory Service - Province of British Columbia \(gov.bc.ca\)](#).

Qualifications for this role include:

- A Bachelor's Degree in a resource management related field.
- Registered, or immediately eligible for registration, as a Registered Professional Forester (RPF) with Forest Professionals BC (FPBC).
- Experience in contract management.
- Experience managing multiple projects or leading a component (e.g., sub-project) of a major project.

- Experience managing relationships with senior level stakeholders and leading consultation sessions.
