Canada's fastest growing Indigenous career portal, Careers.Indigenous.Link is pleased to introduce a new approach to job searching for Indigenous Job Seekers of Canada. Careers.Indigenous.Link brings simplicity, value, and functionality to the world of Canadian online job boards.

Through our partnership with Indigenous.Link's Diversity Recruitment Program, we post jobs for Canada's largest corporations and government departments. With our vertical job search engine technology, Indigenous Job Seekers can search thousands of Indigenous-specific jobs in just about every industry, city, province and postal code.

Careers.Indigenous.Link offers the hottest job listings from some of the nation's top employers, and we will continue to add services and enhance functionality ensuring a more effective job search. For example, during a search, job seekers have the ability to roll over any job listing and read a brief description of the position to determine if the job is exactly what they're searching for. This practical feature allows job seekers to only research jobs relevant to their search. By including elements like this, Careers.Indigenous.Link can help reduce the time it takes to find and apply for the best, available jobs.

The team behind Indigenous.Link is dedicated to connecting Indigenous Peoples of Canada with great jobs along with the most time and cost-effective, career-advancing resources. It is our mission to develop and maintain a website where people can go to work!

### Description

The Regional Operations Division (ROD) of the Ministry of Natural Resources and Forestry (MNRF) has an impact on the social, economic, and environmental aspects of the province by making and influencing decisions that affect the sustainable use of the province's natural resources. The division also plays an instrumental role in the safety and well-being of Ontarians through its emergency management, regulatory and management of public infrastructure.

The Divisional Support Branch is looking for collaborative leaders who strive for excellence every day. Consider this unique opportunity to be a leader as part of a brand-new team, in a dynamic, changing and sometimes uncertain environment.

The newly established Divisional Support Branch leads strategic planning, coordination, operational program and policy development and the modernization of divisional functions and service delivery throughout ROD. It is also the ROD lead for provincial-level partnerships and digital service delivery.

We are hiring managers for the following sections:

The Partnership Services Section leads the coordination and delivery of provincial programs, including those delivered in partnership with other organizations and agencies. NOTE: the headquarters for this position can be any MNRF office in Ontario.

The Lands and Business Services Section provides divisional support for land dispositions/land registration, client financial services and land valuations. The section also provides branch support for issues management, project coordination and financial controllership. NOTE: the headquarters for this position can be any MNRF office in Ontario.

The Digital Services Section leads ROD's information and technology portfolio, with a continuous improvement lens toward modernization and excellence in client services. This includes supporting ROD in meeting its Provincial modernization initiatives such as Ontario's Digital Strategy. NOTE: the headquarters for this position can be any MNRF office in Ontario.

The Indigenous Services Section develops tools and procedures for consistent application across ROD, including customized consultation agreements. It will also support capacity building and issues management. Indigenous Services will work closely with partners at the Ministry of Indigenous Affairs (IAO) to develop applicable divisional training. This section will also provide policy support and leadership for a range of strategic Far North items. NOTE: the headquarters for this position can be any MNRF office in Ontario.

OPS Commitment to Diversity, Inclusion, Accessibility, and Anti-Racism:

We are committed to build a workforce that reflects the communities we serve and to promote a diverse, anti-racist, inclusive, accessible, merit-based, respectful and equitable workplace.

We invite all interested individuals to apply and encourage applications from people with disabilities, Indigenous, Black, and racialized individuals, as well as people from a diversity of ethnic and cultural origins, sexual orientations, gender identities and expressions.
